

The mission of all our programs is to strengthen the individual, the family, and the community through participation in youth sports. Each program is centered around sportsmanship and emphasizes fun and the importance of fair play.

Our goal is to offer an amateur sports program, through a volunteer base, for all participants to grow in physical, mental, and moral development through recreational competition and to promote excellent citizenship, sportsmanship, and teamwork, exemplified by our coaches and parents.

## GAMEPLAY

- I. Each match will begin with a coin toss. Home team calls heads or tails. (Home team is listed first on the game schedule.)
- II. The winner of the coin toss will choose to either kick off or declare which goal they will attack in the first half; the loser will then have the remaining option. The reverse will occur to start the second half automatically.
- III. Offsides **will not** be called.
- IV. Headers are not allowed
- V. Substitutions may only be made with the referee's acknowledgement.
  - a. Substitutions are allowed during the following breaks for either team.
    - i. Kickoffs, including after a goal has been scored.
    - ii. Throw-in
    - iii. Goal kick
    - iv. Corner kick
    - v. Injury
- VI. The referee, according to the infraction, will award **direct** or **indirect free kicks**.
  - a. **Direct Kick Fouls**
    - i. Intentionally attempting or completing a kick, trip, charge, strike, push, jump at, blatant hold or pulling, spitting, slide tackling or any other intentional dangerous play to an opponent.
    - ii. Deliberately handling the ball (a hand ball should not be called if a player is protecting themselves or if the ball hits the hand accidentally while at the player's side).
  - b. **Indirect Kick Fouls** (meaning the ball must touch another player; cannot score a goal "directly".)
    - i. Dangerous Play: that is any action by a player that is dangerous to themselves or to another player. (i.e. high kick when the opponent is near or attempt to head a low ball when the opponent is trying to kick, endangering the goalkeeper within the Penalty Box, etc.)
    - ii. Anytime a yellow or red card is shown, and a direct kick is not awarded.
- VII. Penalty kicks will be placed 12 yards from the goal line. (A penalty kick is awarded when a foul punishable by a direct free kick is committed by a player in their own Penalty Box.)
- VIII. The referee will show yellow (caution) and red (sending off) cards in accordance with the laws of the game.
  - a. Two yellow cards in the same game will result in ejection.
- IX. Red cards shown for serious infractions may result in ejection for the remainder of the season with reinstatement only with the permission of the league coordinator.
- X. Any Player, Coach or parent to receive an ejection will receive an automatic suspension to be served at the next week's game.
- XI. **BENEFIT OF THE DOUBT**- the referee will interpret if a child is attempting to do a skill properly and may choose not to make a call based on "advantage".
- XII. **ADVANTAGE CLAUSE** - The Referee, in their judgment, may choose to allow a play to continue after a rule infraction, if it would result in an "advantage" to the fouling team to stop play. The theory is that the team that was fouled should not be punished by having an attack stopped which might result in a goal or more succinctly, that the team which committed the foul should not gain an advantage because of the foul.
